The large quantity of bulbs we list this year precludes use of space to include numerous testimonials in regard to our bulbs. One from Charles E. Miller, Kalamazoo, Michigan, tells the story. "I wish to tell you," writes Mr. Miller, "I appreciate your courtesy in sending bulbs so promptly also that they were the finest, most even sized and cleanest that I bought from any place and produced fine, large sized and close set flowers. I am more than satisfied and would like your list for coming season." We have similar reports from customers throughout the country.

IF YOU HAVE FRIENDS WHO LIKE GLADIOLUS LET THEM LOOK OVER THIS LIST—OR BETTER STILL SEND US THEIR NAMES SO WE MAY SEND THEM LISTS

TO CANADIAN CUSTOMERS: Because of fluctuations in rate of exchange we ask our Canadian customers to as far as possible send money orders as remittances. We also urge them to send permit numbers with orders and labels as well at time of ordering as this avoids confusions and delays at shipping time.

From such information as we have been able to gather the country's Gladiolus crop as a whole is none too large this year although with our facilities for irrigation and intensive cultivation ours looks in the field of as high a standard as any we have ever grown. But we suggest early ordering. Inquiries we have received so far this fall are in excess of anything we have received in the past and interest in Gladiolus seems to be showing a marked increase from year to year throughout the nation. We ship gladiolus to every state in the Union and a number of foreign countries. Our bulbs are grown under the best of condition, irrigated and handled right, stored in a modern warehouse and thousands of pleased customers reflect the care and attention given to our bulbs and their shipment.
